## *From the President's Desk*

Ladies,

I just wanted to take a moment to say how thankful I am to be given the opportunity to step up in this wonderful organization. I have always had a great respect and admiration for the Salvation Army and the members who give unwaveringly to volunteer their time to help those less fortunate. I know that there are both challenges and rewards that go along with being an officer of the Salvation Army Women's Auxiliary; however, I look forward to working with each and every one of you as I utilize those challenges to help meet the needs of the disadvantaged families in our community.

**Special Request**

Dear Friends,

As many of you know, my husband and I were both diagnosed with cancer last October. Dick's surgery was successful (as was my first one); I've finished chemo and am halfway through radiation treatments. I want to thank everyone who has prayed for our healing and recovery. I have another surgery ahead and Dick still faces knee surgery. I dislike airing all this, but **someone is needed to step up and take over as Chairman of 2012 Silent Auction.** This project raises approximately \$6K and funds many worthwhile client services. I will be happy to discuss the project with anyone interested. I can assure you there will be many willing volunteers to support you in this effort.

Tina Grau, 2009-2011 Silent Auction Chairman (601-831-0418)
